

Custom Polo Shirt Template.

ARTWORK GUIDELINE NOTES.

This document is a generic template to assist you in sending us your personalised custom Polo shirt design. Please print it out and sketch your design roughly, and return it with any artwork files you have to design@shoplocaluk.org. After receiving the template and any artwork files you may send we will prepare a proof of your design for these Polos. As we can source many different types of quality garments we will suggest a product in line with your budget and then once you have decide type and colour from the images and information we will send you, we can then match that colour and send you a proof showing you what the finished garment will look like, along with a custom quote for this order.

Preferred Artwork files to send us your logo are PDF, JPEG, EPS, BMP, PNG, Ai, & CDR.

Sketch your design below.

Front

Back

If you are sending your artwork please indicate where you would like it printed on the Polo shirt template, we will send you back a proof showing exactly where and what the imprint will look like for your approval

Logo/Artwork supplied

If you have no logo or artwork to send us then just sketch in the template or any blank sheet of paper and indicate the text style and ink colours in the boxes provided and someone from our design team will contact you and work together with you to prepare a proof for your approval.

Print colours (provide Pantone info if possible)
